ABOUT

Jenny Gray

My interest in hair and makeup would have started in my very early years, watching my mum apply her lipstick in a hairspray filled room getting herself ready to perform in function bands. It was a process which definitely captivated me.

I started my makeup business part time offering occasion makeup 6 years ago and quickly began in the wedding industry providing bridal makeup for bridal parties of all sizes across all of Scotland. I knew from my first ever wedding that this is where my heart is. I have since won multiple industry awards, qualified as a Makeup Tutor and opened up my very own beauty studio.

Working with the highest quality products and brands on the market and also offering hair styling, I strive to create every bride their desired look, taking the time to really listen and bring your vision to life.

CONSULTATION

Jenny Gray

Prior to your Consultation, you will receive a questionnaire in order for me to be aware of any skin concerns, skincare regime, your typical makeup looks with some key recommendations to enhance skin preparation before the big day.

When you arrive to my studio for your bridal consultation, you will be welcomed into a relaxed and comfortable setting presented with some light refreshments. During your 2 hour consultation, we will discuss and create your desired bridal look together.

Please bring any makeup inspiration you may have, wear a similar colour and neckline to your dress and if you are planning to have a tan, it is recommended to have one prior to your bridal consultation.

Top Tip

When researching inspiration, remember to look for examples of those with similar skin, eye and hair colouring to you

Try to avoid heavily edited pictures

Bring along pictures of you with makeup on where you felt beautiful, Think about what you liked/disliked, what would you change?

Jenny Gray

I have never felt so beautiful and the look she did was exactly what I had asked for and pictured. Honestly I felt a million dollars and I would 100% recommend Jenny to all of my friends.

Jenny Gray FAQ

WHY SHOULD I CHOOSE YOU? Having been a bride myself, I understand the importance to look the best version of you on your wedding day. I believe there is no set "rule" for Wedding makeup or hair, every bride is unique and a bride's final look should be a reflection of that. I take time to listen to my brides vision of how they want to look, whether that is more timeless natural, or maybe something a little bit more sultry. Wedding makeup and hair needs to look beautiful not only on camera but also in person and it is vital that it does not budge all day (even through all the dancing), using expert application techniques creating a flawless look, you will look stunning both for the love of your life and for your photographs that last a lifetime.

HOW FAR DO YOU TRAVEL? Worldwide! My travel costs are as stated above - if your venue is out with Aberdeenshire and will require additional travel and accommodation costs - please contact me directly for a bespoke quote.

HOW DO I SECURE MY DATE & WHEN DO I NEED TO PAY? To secure your wedding date, a £100 non-refundable booking fee is required. On receipt of this and a signed client agreement, the date is secured. Your final balance will be due 4 weeks prior to your wedding and your booking fee will be deducted from the final balance.

WHAT BRANDS DO YOU USE? My kit consists of a wide range of different luxury brands including, Charlotte Tilbury, Illamasqua, Hourglass, Visart etc. Actively working towards a fully cruelty free kit.

WHAT IS THE MAXIMUM NUMBER OF PEOPLE YOU CAN ACCOMODATE? This really depends on service timings, however usually I can comfortably do 7 people in a wedding morning. For larger bookings I can arrange an additional artist - please contact for further information.
